"Together with our partners, we will drive the mission of Canadian athlete podium performances."

On behalf of Olympic Oval athletes, staff and the executive management team, I'd like to welcome you to our 2005-2006 season and introduce our new Oval Passport.

This season we are very busy and excited at the Olympic Oval as many of our athletes and coaches enter a period of final preparation to be "On Target for Torino" and realize their dreams at the 2006 Winter Olympic Games in Italy. As the home to the fastest ice in the world, we are also preparing to host a series of International Skating Union (ISU) events which include the Es-sent ISU AllRound World Cup in November, the Canada Post Single Distances Championship in December and the ISU World AllRound Championships in March 2006. These long track speed skating competitions will showcase many Olympic medal performers and the world's best speed skating athletes.

We invite you, our community partners, to use this passport and join us in this adventure. We have many activities, events and celebrations planned for you to help us prepare our athletes and celebrate their achievements.

I believe sport is so exciting because, just as in life, every day is a blank page and we can never know its outcome until the day is over. We hope you will join us in writing your own chapter of fantastic experiences at the Olympic Oval. I invite you and your family and friends to use this Oval Passport as your guide to winter fun and a celebration of our Canadian athletes' successes!
